Maximillian

Strange how it feels when I look in the mirror  
I see a man with his eyes full of terror  
And it's  
Something so obvious but  
I missed it all in the rush  
I'm out of place and it feels so familiar

Lately I've  
Been terrified  
'Cause

I see  
A broken mirror  
Shattered  
Unfamiliar  
How come  
My reflection  
Looks more like a stranger now  
I see  
A foreign figure  
Scattered  
Unfamiliar  
Tell me  
Mirror mirror  
Who's that stranger on the wall

I keep my head in the clouds  
When I'm broken  
I try to hide it  
But my wounds are open  
And it's  
Something so obvious but  
I hid it all in the rush  
I'm out of place  
Fighting things I can't cope with

So now

I see  
A broken mirror  
Shattered  
Unfamiliar  
How come  
My reflection  
Looks more like a stranger now  
I see  
A foreign figure  
Scattered  
Unfamiliar  
Tell me  
Mirror mirror  
Who's that stranger on the wall

I won't run  
Anymore  
I can't keep  
Closing doors

I prevail  
Let it go  
'Cause now

I see  
A broken mirror  
Shattered  
Unfamiliar  
How come  
My reflection  
Looks more like a stranger now  
I see  
A foreign figure  
Scattered  
Unfamiliar  
Tell me  
Mirror mirror  
Who's that stranger on the wall
