

On My Mind

Maximillian

Baby, I'm fallin', losing my focus
How come you're actin' like you haven't noticed?
I'm going crazy, stuck with your maybe
Left me in nowhere, my beautiful nightmare

My love, when I look into your eyes
Girl, it gets me every time
And I thought that you should know (Oh, oh, oh)

That I got you on my mind, on my mind, on my mind
I want you all the time, all the time, every night
Tell me you feel it too, you don't have to play it cool
'Cause I got you on my mind, on my mind, on my mind

Cool as a cold war, hot like a fever
I'm tryna hold on 'cause, baby, I need ya
You're so contagious, tell me I'll make it
Act like you don't know, I'm caught in your limbo

My love, when I look into your eyes
Girl, it gets me every time
And I thought that you should know (Oh, oh, oh)

That I got you on my mind, on my mind, on my mind
I want you all the time, all the time, every night
Tell me you feel it too, you don't have to play it cool
'Cause I got you on my mind, on my mind, on my mind

Come on, baby, get closer, I wanna hold ya
Think of you all the time
I'm counting the days that I have to wait for
You to make up your mind, oh

My love, when I look into your eyes
Girl, it gets me every time
And I thought that you should know (Oh, oh, oh)

(Hey) That I got you on my mind, on my mind, on my mind
I want you all the time, all the time, every night (Ooh, every night)
Tell me you feel it too, you don't have to play it cool (Na-na-na)
'Cause I got you on my mind, on my mind, on my mind

On my mind, on my mind
On my mind, on my mind
On my mind, on my mind
On my mind, on my mind
