

## Now I'm All Over the Shop

Maximo Park

If you're gonna talk about the things I need  
Then you're gonna have to find out what they are  
You remind me of a time when I was boring  
I recall a time when you could slip your noose

I washed my hands of you  
My feet won't hit the ground  
I often ask myself  
When am I gonna learn?

I know you'll be content  
In the right line of employment

I never held you, you never hold me  
It's happening all over again  
I tried to tempt you, you say I'm deluded  
When will this foolishness cease?

Every time I see you I start choking  
I prefer to keep my eyes wide open  
Ballerina poses get you nowhere  
Patience is a virtue when you're near me

I washed my hands of you  
My feet won't hit the ground  
I often ask myself  
When am I gonna learn?

I know you'll be content  
In the right line of employment

I never held you, you never hold me  
It's happening all over again  
I tried to tempt you, you say I'm deluded  
When will this foolishness cease?

I know that you'll be content in the right line  
You'll be fine you'll be fine  
In the right line  
You'll be fine you'll be fine  
In the right line

I know that you'll be fine  
Now that you're not mine

I never held you, you never hold me  
It's happening all over again  
I tried to tempt you, you say I'm deluded  
When will this foolishness cease?  
I attempted to snare you with old-fashioned manners  
But patience was never my thing  
When I said you were special  
You know that I meant it  
Now I'm all over the shop

If you carry on like that you'll never make it  
If you carry on like me you'll never make it

You'll never make it
