Your love is what I'm waiting for (Your love, your love, your love, your love)

Your love is what I'm waiting for (Your love, your love)

I can rap about trappin', servin' nickels, slangin' dimes (Dimes)

Seen niggas turn 12 like 11:59 (59)

I can rap about licks, bricks, weed slangin' iron (Iron)

Country ass nigga, country like LeAnn Rimes

We could talk about some hoes but don't ask me 'bout my bitch

I'll buy my girl an ass if I really want her thick

We can't talk about no Crippin 'less you talkin' politics

When it come to gangbangin', I'm a fuckin' congressman (Fuckin' congressman)

See, I can talk about a stick and I can talk about a Glock (Glock, Glock, Glock)

I can talk 'bout Bissonet, Spice Lane, this and that (That, that, that)

When it's plex, I'm at your neck, ain't no need to talk it out (Out, out, out)

Nigga, I'm a big stepper, walk you down and walk you out

Box it out or pop the Glock, I was always head first

Never ran from a nigga, don't ask if my legs work

Put in so much leg work that my fuckin' legs hurt

Before I fuck, need head first, let me see your neck work

She ask me what's my net worth

VV, diamond shinin', bitch, you see my neck worth

Bust down Cuban link, she wanna link and network

Before we sex, need head first, show me how that neck work

I can rap about trappin', servin' nickels, slangin' dimes (Dimes)

Seen niggas turn 12 like 11:59 (11:59, 9, 9, 9)

I can rap about licks, bricks, weed, slangin' iron (Iron)

Country ass nigga, country like LeAnn Rimes

What you know about Molly? I can show you 'bout Keisha

Do a homi', pay for bodies, but I never paid for features

Not a pastor or a reverend, I could preach about steppin'

In the streets I got credits, swipe your body with a Visa

Shootin' pistols like a pencil, had to put in lead work

Off the porch, head first, I had to bump my head first

I never ran from a nigga, don't ask if my legs work (Work, work, work)

Put in so much leg work, that my fuckin' legs hurt

I can rap about trappin', servin' nickels, slangin' dimes (Dimes)

Seen niggas turn 12 like 11:59 (11:59, 9, 9, 9)
