Daddy in the Feds broke as hell stay with they mother  
Till the older brother came in with fo' pints (FINESSE)  
Bounce em' back to 6 and it changed they whole life (Okay)  
So he the second oldest he looked up to Janky Jew  
Watch the karo and finesses so he did the same too (Okay)  
Show them how to hit them pints  
Tote them pipes, shoot them dice (Ahuh)  
Then one day he served a random trapper twice his name was Ike

And him and Ike they start finnessing on the plug (That what we do)  
Money do he juggling packs he run it up (That what he do)

Maxo brother charged with murder now the whole hood looking  
All the pistols Maxo see was serving they was trying to murk him  
Had to stop slanging out the house  
Pull up curb service  
Woppin junkies in the driveway he got the nosey neighbors nervous  
Shake on the counter, re-rock in the pot  
Block got hot so his mama kick him out  
Plug and dough help him set up shop  
And it was a stain on a drink-strong diet

Fucking up the sack couldn't grab no packs  
Maxo branched out, started coppin himself  
Serve like the money do everything else
