Maxo Kream

Fuck a prosecutor and fuck the D.E.A  
Motherfuck the judge ill spray him with the mace  
Motherfuck the bailor put the bullet in his face  
And when i go to court make sure you play this tape

I be hitting more licks then Lewinsky  
Shoot a Glock at a cop tell him to come get me  
On the block slanging' bars like the penitentiary  
Had a Glock, sold pot in elementary  
Couple opps' needed more stock evidently  
Kicked doors, rob everything till its empty  
Fast life, over time it became so addicting  
Flat screens, mac books and a couple 360's

I ain't have shit nigga dad in jail  
Mom made 10k a year what the hell  
Sleeping on the floor with the roaches as well sell and kill  
Wasn't paying no bills in the mail you know the deal  
Had to drill had to kill cause when shit got real, niggas squeal, telltale  
All fish get real but I'm swimming with piranhas and they eating through fle

Looking for another stain i ain't worry bout the rest  
I be hitting more licks then Lewinsky  
Shoot a Glock at a cop tell him come get me  
On the block slanging' bars like the penitentiary  
Had a Glock, sold pot in elementary  
Max God but sometimes the Devil tempt me  
I'm Christ but I know I got the devil in me  
2 shots at a cop if he riding with me  
Shotty pop body's drop going down in history

Shoot a Glock at a cop tell him to come get me  
On the block slanging' bars like the penitentiary  
Had a Glock, sold pot in elementary  
Soda pop mix with codeine you was sipping  
Seen a opp in a drop caught his ass slipping  
Hopped out, tried to stall out but he missed me  
At the park down the block 84's tipping  
In a Stolo' 'bout to pull up to a lick  
Tyrae looking out, little An hit the fence  
Somebody in the house so we gotta make it quick  
Rushed kicked down door then duct-tape the bitch  
Downstairs ran across 5 bowls and a brick  
Upstairs came across a FN with 3 clips  
With a razor TV's I can't handle all this shit  
Took a look outside all white car  
Ricks run quick got me

Hitting more licks then Lewinsky  
Shoot a Glock at a cop tell him to come get me
