

# Smoke Break

Maxo Kream

New plug on the smoke  
Got my youngins sellin' dope (Got my youngins sellin' dope)  
New plug on the smoke  
Got my youngins' sellin' dope (Got my youngins sellin' dope)  
When I wake up brush my teeth  
I need a blunt, I hit the sto' (Blunt, I hit the sto')  
Grab a box of yellow baggies  
And a Swisha 'fo I go (Swisha 'fo I go)  
I can't even eat  
I need that smoke before my breakfast (Smoke before my breakfast)  
I can't even eat  
I need that smoke before my breakfast (Smoke before my breakfast)  
Standin' on the block and movin' squares like playin' Tetris  
New plug on the smoke  
I'm sellin' dope in Houston Texas

New plug on the smoke, sellin' Pepsi not Coke  
I ain't gotta hit the stove, but I gotta hit the sto'  
I ain't got the munchies, need that codeine on my tummy  
Crawlin' like a toddler, keep a baby bottle like I'm Tommy  
This ain't Aunt Jemima, this that Hi-Tech and that ganja  
Smokin' on Obama, tie your granny up for a comma  
Take your shoes for a dollar  
Maxo Kream, what you mean?  
I'm 'bout the cheese, If I run up on you bet you I'll squeeze

Knick-knack paddy whackin'  
Frontin' all my niggas, sackin'  
Prices doin' jumpin' jacks  
Smoke like we got cataracts  
Swishers stuffin' woods and backs  
Smokers givin' feedback  
They say we got the loudest packs  
The dankest tracks right next to crack  
We under tax, imagine that  
Watch my youngins work it, twerk it  
On the corner standin' back  
Got the block pumpin' jumpin' now the stains ask for wax  
All my workers countin' checks, they play it smart, avoid arrests  
First day of school they step in fresh

Investin' hella stock in pot, that's what I sell on my block  
The cops is hot, like fuck a bank, put stash inside a shoebox  
See trapped juggin' off the gun ganja since the shorty doowap  
My trap was slow, I wish I had the knowledge that I do now  
Fuckin' up my profit even diggin' in my re-up  
But now I stack, one day retire later, with my feet up  
Benz with foreign features, and leather Italian sneakers  
Until that day my youngins hunt the block like Jeepers Creepers
