

Spike Lee

Maxo Kream

Water drippin', ice tea
Do my thing like Spike Lee
Finesse karo, the whole thing
Serve it to a hypebeast
These hoes they worse than dope fiends
Tryna' eat my protein
No sex, I want my dough please

She suckin' my dick, bitch don't bite down
Take you off for the fetti
Walk around, pockets heavy
Whip a brick in the telly

Preachin' to em' like the church
Dead fresh like a hearse

Diamonds dancin', main attraction
Talkin' karats, bunny rabbits
Wetter than a pissy mattress
