Cuttin' the white girl, I'm so excited
Look at my Sprite, look how dirty my Sprite is
Look at my diamonds, the hustle it glided
Slidin' and slidin', you know that I'm bodied
Flippin' them packs and I'm gettin' this money
Flippin' the pack and I'm gettin' them hundreds

She down for the Kream Clicc, she down for The God
Look at the [?] look at the eye, sheesh

My main bitch is Mary, my everyday ho
She always gone roll, pass it down to my bro
Make hella profit, I sell it for low
Took my virginity, nobody know
Young bitch named molly, she crazy and ratchet
Switch up my moods, go from chillin' to savage
Springtime and Summer I sell it for cheap
We don't get no sleep, we been rollin' for weeks
My slut her name Xanny, she actin' real off
Can't get my dick hard, so she suck it off soft
My white bitch is gorgeous, just came from the border
She comes to your porch once you pay for the order
