

## Lost

Maxwell

I wanna love you, baby

Say that you'll be with me  
Don't leave me, I'm in vain  
Cause I've been lost for too long  
Don't you go  
Don't you leave me  
Cause I've been lost for so long  
So long  
So long

When I see you from a distance  
When I see how you ignore with resistance  
And I know you have been  
And your children are growing up  
And your husband is loving you  
I don't know if I can go on  
Cause I've been so...  
So lost  
I've been so...  
So lost  
So lost  
So lost  
So lost  
So lost

In the waking hour  
In the middle of the night  
When the moon is not just full  
I see you in my eyes  
I see you and it haunts me  
And you tore me  
And you haunt me

Cause I've been so...  
So...  
So lost
