

NoOne

Maxwell

If i had to do it over
If i had to do it again
Oh, i wouldn't know too
And this would've never began (no it wouldn't baby)

Oh, if i made you claustrophofic
Imagine if i gave you an inch
Oh, you'll never know this
But there's noone quite like, noone quite like you

I try to forget ya
But you're all i wanna do
Oh, i can do better
But there's noone quite like, noone quite like you

If i made you love me again
if i made you love me again
If i made you want it again
If i made you want it again
If i gave it you probably wouldn't want it baby
It's alright
'Cause there's noone quite like you

I try to forget ya, said i try
But you're all i wanna do
Oh, i can do better (i can do better)
But there's noone quite like, noone quite like you

I try to forget ya (try to forget ya)
But you're all i wanna do
Oh, i can do better (i can do better)
But there's noone quite like, noone quite like you

I try to forget ya (try to forget ya)
But you're all i wanna do (i'm what you want)
Oh i can do better (i can do better)
But there's noone quite like, noone quite like you

..Oh, like you...Try to forget ya...Do what i wanna do...
...Uh, i can do better...

I try to forget ya
But you're all i wanna do
Oh, i can do better
But there's noone quite, noone quite like you
