

# Daffodils

MAY-A

I've been buying myself flowers, crowning myself my own king  
Hoping I can blindly make it better by pretending I didn't destroy everythin  
g  
Puttin' daffodils on fires and lavender on broken luck  
I'm pretending I'm not drowning in my self destruct

In my own fuck ups  
In everything that I've done  
I'm tryna hold myself up now  
Try hold myself up now

Don't lean on me  
Please, don't lean on me  
I'm not the one you need, I'm  
Barely standing on my own  
Legs holding me, I've outgrown  
This weight I cannot hold, so don't  
Don't lean on me

You've been begging me for pieces, things that I can't cut and paste  
Stick you back together while I'm holding all these tethers  
And I'm pulling myself in place

Puttin' daffodils on fires and lavender on broken luck  
I'll keep pretendin' I'm not drowning in my self destruct  
Can't find the words  
To let you know I'm hurting  
So I'll just let it all burn 'cause I can't fix the things that I'm burning

Don't lean on me  
Please, don't lean on me  
I'm not the one you need, I'm  
Barely standing on my own  
Legs holding me, I've outgrown  
This weight I cannot hold, so don't  
Don't lean on me

Look at me sitting here talking to myself  
The only person I lean on is nobody else  
Who would've thought  
Who would've thought  
That pushing everyone away wouldn't make him wanna stay?

So please  
Please don't lean on me  
Please don't lean  
'Cause caring makes it worse and I don't wanna hurt, so

Don't lean on me  
Please, please  
Don't lean on me
