

Gravity

Maya Delilah

Gravity is working against me
Oh, gravity wants to bring me down

Oh, I'll never know what makes this man
With all the love that his heart can stand
Dream of ways to throw it all away

Whoa, gravity is working against me
Gravity wants to bring me down

Oh, twice as much ain't twice as good
And can't sustain like one half could
It's wanting more
That's gonna send me to my knees

Oh, twice as much ain't twice as good
And can't sustain like one half could
It's wanting more
That's gonna send me to my knees

Gravity, stay the hell away from me
Gravity has taken better men than me
How can that be?

Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
Come on keep me where the light is
Come on keep me where, keep me where, keep me where...
