## Mayday Parade

I should've been the bigger man  
I tried to beat the second hand  
Couldn't see what's in front of me  
And I wanna feel fragile  
I wanna break down and shatter  
I wanna feel hollowed

So save some face  
And say you'll stay  
You say you've got dreams  
Well what about me, what about me?

It was the chemicals, chemicals  
In love it's only chemical, chemical  
Turning me sideways

I never thought we'd make it out  
You and I were breaking down  
Couldn't fix what's in front of me, yeah  
And I, I knew we'd be tragic  
I knew we'd end in a panic  
A beautiful static

So save some face  
And say you'll stay  
You wanna break clean  
Well what about me, what about me?

It was the chemicals, chemicals  
You and I were like a chemical, chemical  
Turning me sideways  
It was the chemicals, chemicals  
In love it's only chemical, chemical  
Turning me sideways

Sideways  
I was born a broken man  
I was born with broken hands  
I couldn't fix what's in front of me  
No

So save some face  
And say you'll stay  
It isn't love it's only chemical, chemical  
It isn't love it's only chemical, chemical  
So say something  
Say you'll stay  
Say you've got dreams  
Well what about me, what about me?

It was the chemicals, chemicals  
You and I were like a chemical, chemical  
Turning me sideways  
It was the chemicals, chemicals  
In love it's only chemical, chemical  
Turning me sideways
