

# Imprint

!Mayday!

Yeah, they say a fingerprint is one of a kind  
Yeah, yeah, roll it up, hey!

Together all the time  
By the time I bounced, left an imprint on her mind  
It's feelin' like a crime  
Ingorin' her advances, she's ignorin' the signs  
Together all the time  
By the time I bounced, left an imprint on her mind  
It's feelin' like a crime  
By now I think you need to know the need to go is mine

You knew, you knew, that this would end up bad  
I gave, I gave you almost all I had  
To give you love, it ain't no easy test  
This dreams been fun, but please just wake me fast  
Now it's almost through, nothin' you could do  
Time for me to move and the imprint stuck on you

Together all the time  
By the time I bounced, left an imprint on her mind  
It's feelin' like a crime  
Ingorin' her advances, she's ignorin' the signs  
Together all the time  
By the time I bounced, left an imprint on her mind  
It's feelin' like a crime  
By now I think you need to know the need to go is mine

It's funny baby, cause I ain't talkin' trash  
But I'm the one that's on your mind  
So why you wanna change that  
Why you wanna break that down?  
Make me into a villain  
Call me super fixin', why?  
When you the one that's trippin'  
Turn around and flipped it around  
Turn around and flipped me 'round  
My world is turnin' upside down  
And we go down, down, down, slow-ow  
And we go round, round, round  
Imprint stuck on you

Together all the time  
By the time I bounced, left an imprint on her mind  
It's feelin' like a crime  
Ingorin' her advances, she's ignorin' the signs  
Together all the time  
By the time I bounced, left an imprint on her mind  
It's feelin' like a crime  
By now I think you need to know the need to go is mine
