

## South of 5th

**iMayday!**

The gleaming towers of Miami Beach  
Set against the dazzling blue of the sea  
Are a scenic signpost for seekers of fun and sun  
Modern styling with light airy lines and a bright spacious air  
Reflecting the way of life under the Florida sky  
Even the lobbies funnel in the great outdoors  
Sunshine is their stock and trade and they serve it up lavishly
