

## Crime

Mayer Hawthorne

Lots of sand, sunshine  
A little weed, a little red wine  
citation, is legal  
We just wanna party  
We don't mean no harm  
Don't wanna hurt nobody  
But they make it so hard  
We just wanna party  
Just wanna ride all night  
Don't wanna hurt nobody  
No need to get uptight  
It's a crime

Backyard, to drive  
Girls dancing in the moonlight  
one time  
Regulation, gotta pay the fine

We just wanna party  
We don't mean no harm  
Don't wanna hurt nobody  
But they make it so hard

We just wanna party  
Just wanna all night  
Don't wanna hurt nobody  
No need to get uptight

It's a crime

We just wanna party  
We don't mean no harm  
Don't wanna hurt nobody  
But they make it so hard

We just wanna party  
Just wanna all night  
Don't wanna hurt nobody  
No need to get uptight
