

# Invoke The Oath

Mayhem

From these maleficent realms  
Invoke the oath under will

Come atrocious  
Omnipotent  
Absorb all life

Before this iron age  
Creation was fouled  
By the stories of the false gods

Invoke the oath  
Unhallowed truth  
Catharsis by disaster  
Gehenna opened up

Between outsidersness  
And the captured minds  
By the swearing  
Reality darkened

Fathomless void  
Despairing silence  
Dead and mummified  
Festering and resurrection

Invoke the oath  
Invoke the oath  
Invoke the oath  
Invoke the oath  
Invoke the oath  
Invoke the oath
