

## Never Enough

Maylene and the Sons of Disaster

Well I just don't understand why  
You couldn't let it in  
Did I try my best for nothing?  
Well I hope you got your fix  
Now I'm sick of all the reasons  
I just can't let it go  
I get caught up in the feeling  
Well by now you think I'd know

Every time I fell I fell into pieces  
You were always the last one found  
And all the moments I gave to fixing you  
Was never enough somehow

You hurt me, cause it felt right  
You hurt me for control  
So I lied and said that I'm fine  
And I left you with the ropes  
Now I'm sick of all the reasons  
I still can't let it go  
I get caught up in the feeling  
Well by now you think I'd know

Every time I fell I fell into pieces  
You were always the last one found  
And all the moments I gave to fixing you  
Were turning me inside out  
So was it worth it?  
Did I deserve it?  
And all the moments I gave to fixing you  
Was never enough somehow
