

The Only Thing

Mayonnaise

Why are we here
I can't accept the fact that you're leaving me and I'm so ashamed
God, can't you see
I've been blinded by things that I can't even hear

Why?
Why?
Why?
Why?

Needless to say that I'm going for the kill
The beauty lies inside of you
And not where you think it is
I'm so preoccupied I don't know what to do
The only thing that I will miss when I die is you

Why are we still
Climbing on mountains just for the thrill
Please help me here
I'm completely lost without you
And I cannot kill

Why?
Why?
Why?
Why?

Needless to say that I'm going for the kill
The beauty lies inside of you
And not where you think it is
I'm so preoccupied I don't know what to do
The only thing that I will miss when I die is you

We can't save this
We can kill them

Needless to say that I'm going for the kill
The beauty lies inside of you
And not where you think it is
I'm so preoccupied I don't know what to do
The only thing that I will miss when I die is you
