

You Can't Be Right

Mayonnaise

Didn't you notice
That everything I own is gone
Everyone knows the truth behind the lies
And you seem to care for a while (for a while)
And I was deceived with a lie (with a lie)

You can't be right all the time (all the time)
And you can't be right all the time (all the time)
And you can't be right (can't be right)
You can't be right (can't be right)
You can't be right all the time

And all I wanted (I know that, I know that)
Was for you to sacrifice (never sacrifice)
Don't ever say that (don't ever say)
I never loved you all my life (never loved you enough)

And you, you were there for a while (for a while)
And I was deceived with a lie (with a lie)

You can't be right all the time (all the time)
And you can't be right all the time (all the time)
And you can't be right (can't be right)
You can't be right (can't be right)
You can't be right all the time

And you, you were there for a while (for a while)
And I was deceived with denial (with a lie)

You can't be right all the time (all the time)
And you can't be right all the time (all the time I've been with you, oh oh)
And you can't be right (can't be right)
You can't be right (can't be right)
You can't be right all the time
