Every season

Oni reason
Na Baba God dey do am for me
Every season
You know oni reason
Ah oni reason

Every season

Every season

Reason reason

I never talk am before
But I go talk am again
I never talk am before
But I go talk am the same
Nobody better pass of lay lay
Nobody better pass of lay lay
And as I do am before
And I go do am again
If you don know me before
You need to know me again
Nobody better pass of lay lay
Nobody better pass of lay lay
I'm here for the good times
And a long time You know I
Nothing you say to me that can get to me now
I held down the lockdown
For a long time You know I (Of Lagos)
I'm way up I feel blessed
Oni reason
That every year I'm getting money
Every season
Anointing wey I get plenty
Oni reason
Na Baba God dey do am for me
Every season
You know oni reason
Ah oni reason
That every year I'm getting money
Every season

That are head of the game
Shoutout to all the babes
At the end of the day

From a mile away
If announce my babe

Shoutout to all the goons
Steady repping the hood
Always holding me down
Appreciating sound
On a Saturday

But I go talk am again

And I go do am again
If you don know me before
You need to know me again
Nobody better pass of lay lay
Nobody better pass of lay lay
I'm here for the good times and a long time
You know I
Nothing you say to me that can get to me now
