Eh, you don't really have my time

Do I even cross your mind

I don't even understand

I don't even know your plan

Will you meet me at the bar outside

Lot of things are going on

But I no want make you dey leave my side (nne biko don't leave my side-e-e)

It's all, it's all I've been wishing for

It's all I've been rooting for

It's all I've been, I've been, it's all I've been

It's all, it's all I've been wishing for

It's all I've been searching for

It's all I've been, it's all I've been (I no want make you dey leave my side)

Baby oh you fine
