Gang, Amerigang
In due time I'ma buy some land
Who's that girl with the back like damn?
Said I'm lit when she heard my slang, bang
Bang, bang anywhere, gang
CEO from young, been a boss
Learned from mistakes, can't call it a loss
No basic ring, ask [?] what it costs

Set awon geng geng geng (Geng)

You know they see Banks as the most fly
Babe your vibe is off, like say you just rubbed Jollof inside your face, you
get red eye
My shit bump, I ain't talking about no sty
Guys see me on the road and they say 'Hi!'
Expensive taste, you're not fit to buy out the place
You can look but don't try
Said that I want geng, geng, geng
Getting money gang
Born in London, still I'm repping Delta
I ain't talking about the airline gang
Mm, all that [?] but you're smoking the colour your brain
I beg that not go insane

Try maintain

'Cause if you're not mentally strong then you can't be gang
