

Innocent

Mayorkun

I'm just like you I'm not innocent
I'm not innocent too
Can you come into my residence
Inside of my room
I can't explain I got evidence
Cuz I know you
And I'm sure you know me too
Hmmm

I don't give a f I'm celibate
I'm celibate too
But if na taboo sure I'm doing it too
Hmm hmmm hmmm
After round one
Then we go to round 2
I know say
You no go believe say

That I just wanna stand
By you
I just wanna stand
By you
I don't understand
Why you
Think say I no go stand
By you
