

Let Me Know

Mayorkun

Ode yewu let me be your customer
And at the right time I go dey do
Wetin Dangote cannot do for you
But it you gree, see
You go be my lover
Me I no dey whine you
I go dey for you
I go dey dey for you oh

So anything you want make I do (I go do)
If I'm too bad for you let me know
And if you no wan thing let me know
(Let me know eeh let me know)
Anything you want make I do, I go do
When you call on me I go show
Anytime you need am for me let me know

Anytime you need love I'll be there
Anything you want from me girl
You can tell it all to my face yeah
And back it up for me like it's defense
Show me real love no dey pretend o
And all I want is you on me girl
You can tell it all from my face yeah
And back it up for me like it's defense
You go show me real love not dey pretend
To everybody else am the bad guy (Shekpe)
To my baby boo am the right guy
But to my therapist am the sad guy
And to my ex girl I be the hard guy
Omalicha tell me who is who
Tell me what to do
Na make I sing this song for you yeah
Girl I needs some love tonight
What you wanna do tonight?
Na make I sing this song for you yeah
Yeah yeah

So anything you want make I do (I go do)
If I'm too bad for you let me know
And if you no wan thing let me know
(Let me know eeh let me know)
Anything you want make I do, I go do
When you call on me I go show
Anytime you need am for me let me know

Omalicha baby you too set
You dey make my head correct
Na my bus stop mofe bole
Aah you no be room to let
Omalicha tell me who is who
Tell me what to do
Na make I sing this song for you yeah

Oh no any man can test am better than them
If you want contest am better than them
See as them dey vex, cos am better than them

Oya listen to your new national anthem
See no man can quench my fire like this
You cannot quench my fire like this
You can never take my place am telling y'all
