

Up To Something

Mayorkun

Egbe ti gbe ghe gbe (ya know)
Speroah beatz
Egbe, egbe gbe gbe egbe!

You want to chopping my money
Calling me honey,
Whining your body
Girl you are up to something (up to something)
I know you wanna ginger your body
Silicon for bobby,
Accent be foreign
Girl you're up to something (up to something)

But you don't really understand
That you're beautiful, just the way you are
Baby you don't really understand
Say na you, na you, na you, na you
Yeah (yeah)

You know everything rosey
Everywhere good, everywhere marama, everywhere stew
You're up to something (up to something)
You know everything rose
Everywhere good, everywhere marama, everywhere stew
You're up to something (up to something)

But you don't really understand
That you're beautiful, just the way you are
Baby you don't really understand
Say na you, na you, na you, na you
Yeah (yeah)

Girl I like your body, natural something
Figure eight or nothing, tension anybody
Anywhere you dey, cause gobe, make a man craze
Ge kin ge
Girl I like your body natural something
Figure eight or nothing question anybody
Everywhere you dey cos gobe make a man craze
Ge kin ge

But you don't really understand
That you're beautiful, just the way you are
Baby you don't really understand
Say na you, na you, na you, na you
Yeah (yeah)

Egbe ti gbe ghe gbe (ya know)
Speroah beatz
Egbe, egbe gbe gbe egbe!
Swaps
