

Honey Bee

Maysa

Verse 1:

You can't imagine the way I feel
When we're close enough to kiss
I been around for a little while
Never found anything like this
You take me high as an airplane
With your smile shining bright like the sun
Said you keep buzzing around my way
I can tell that you are the one

Chorus 1:

Honey Bee

Why are you so sweet to me?
I cannot see
Anything but my Honey Bee

Verse 2:

I like the way that we intersect
In our own little paradise
I like the way that you read my head
I don't have to tell you twice
Love is the way that you make me feel
And it's just what I need the most
What could be better than you and me

Who knew heaven was so close?

Chorus 2:

Honey Bee

I love the way you hugging me
Nothing is as sweet
As the honey from my Honey Bee

Verse 3:

Who can know

Your love comes If we take it slow
And I like the way your honey flows
And then we'll treasure all of the years we know
We will treasure love

Honey Bee

Don't you ever fly from me
I would not be
Any good without my Honey Bee

Honey Bee

Never fly away from me
Where would I be without my Honey Bee?

Honey Bee

Don't fly away, don't fly away from me.
