

# Hooked on Your Love

**Maysa**

You're always on my mind  
I think about you all the time  
The pleasure of your love, baby  
Wreaks havoc on my mind, baby

Hooked on your love

The way you make me feel  
Oh baby, what a thrill  
Your touch is so tantalizing  
Baby, yes it's so inviting  
You know that I'm hooked on

Hooked on your love

Your love is so elating  
And you always are so captivating  
Come on baby let me stay inside your love

Hooked on your love
