When You Touch Me

Maysa

I've gone over this scenario
So many times in my head
Starting to sound like it's in stereo
But it's just me and my thoughts in this empty bed
I'm gonna tell you that it's over
We can't do this anymore
Next thing I know you pull the sheets back
And my train of thought goes right off the track

When you're near me
When you kiss me, darling
I feel really sexy and my, oh my
I feel a little weak
When you're near me
It's hard for me to speak
When you kiss me, darling
I feel really sexy and my, oh my
Touch me again

Touch me again

The effect that you have on me
I can't seem to explain
No matter how mad I get at you
I still get weak when you call my name
Like a never ending cycle
We go on and on and on
You must have me under your spell
Because I melt like chocolate in your hand

When you're near me
When you kiss me, baby
My, oh my
I feel a little weak
When you're near me
My heart just skips a beat
When you kiss me, baby
My, oh my
Touch me again

I get a little hot, oh, baby
I don't want you to stop, no, no
I'm feeling really sexy and my, oh my
Touch me again
Again
Touch me again, oh yeah

When you're near me
When you kiss me, baby
My, oh my
I feel a little weak
When you're near me
My heart just skips a beat
When you kiss me, baby
My, oh my
Touch me again

Touch me again
Again
Touch me again
