

# One-Way Street

Maywood

(Aaah...)

There's a thousand lonely people  
And a million against the wall  
And I can't help the feeling  
I'm feeling kind-a-small  
Together we can make it  
Together we are one  
We don't have to be on the run

[2x:]

One-way street  
Where there's simply no return  
Where we all have got to learn  
To watch each step we're making  
Too late we'll come awake in  
One-way street

The reason why I sing this song  
It's just because I know  
Everyone must have a chance  
And there's one way to go  
(And there's one way to go)  
And on your way there's sorrow  
Happiness and pain  
Get ready an umbrella for some rain

[2x:]

One-way street (one-way street)  
Where there's simply no return  
(Where there's simply no return)  
Where we all have got to learn (got to learn)  
To watch each step we're making  
Too late we'll come awake in  
One-way street (one-way street)

(Aaah...)

[2x:]

One-way street (one-way street)  
Where there's simply no return  
(Where there's simply no return)  
Where we all have got to learn (got to learn)  
To watch each step we're making  
Too late we'll come awake in  
One-way street (one-way street)

(Aaah...) One way street
