

# You

Maze

You hold the heartbeats to my life  
You know what makes me feel alright  
Sometimes I know I hurt you so  
But I could never let you go

With you beside me girl  
Your love to guide me girl  
And out of this whole wide world  
I got you

Through all hard times you've been my friend  
Through good and bad through thick and thin  
Sometimes I know I hurt you so  
But I could never let you go

I know your good for me  
You make it so plain to see  
Your love and it's ecstasy  
I got you

There has been lots of women none quite like you  
Some have been mighty friendly no one so true  
You have proved to me baby that you understand  
I will love you forever and you know I can  
I need you I need you  
I need you I need you you

You hold the heartbeats to my life  
You know what makes me feel alright  
Sometimes I know I hurt you so  
But I could never let you go

With you beside me girl  
Your love to guide me girl  
And out of this whole wide world  
I got you
