

# anybody else

mazie

I tell you so it hurts  
I start with the past  
'Cause you weren't the first  
You won't be the last  
I don't know what to say but this is going nowhere fast

You hold on tight to what we were  
Won't let up your grasp  
The days of sun before the worst  
Before the overcast  
I don't know what it is but I know you think it's gonna last

You thought you were who  
I'm afraid to lose  
But when the day is done I'll take anyone 'cause  
Anyone would do  
No I don't need you  
You could be anybody else

Why do you call me up  
You don't wanna know  
If I'm awake, if I'm home, if I'm not alone  
It'll leave your pride overtaken, overthrown

You say your heart is set  
You won't let me go  
But I'm not your Juliet  
You're not my Romeo  
And I'll forget you as you drink the poison all alone

You thought you were who  
I'm afraid to lose  
But when the day is done I'll take anyone 'cause  
Anyone would do  
No I don't need you  
You could be anybody else
