

dumb dumb

mazie

Disappointment takes us by surprise
Even though by now I think we should have realized
Everyone is dumb (dumb, dumb, dumb, dumb, dumb, dumb, dumb)

(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
La, la, la, la, la, la, la
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
Everyone is dumb
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
La, la, la, la, la, la, la
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
Everyone is-

There must be something in the cornflakes
Making it hard for us to think straight
I just wanna go from here
Close my eyes and disappear (Disappear)
I just wanna be the comic relief
Making jokes, not taking any responsibility (Knock knock who's there)
It's waking up inside of a dream
You don't know what to believe (Woo!)

Maybe that's why

Disappointment takes us by surprise
Even though by now I think we should have realized
Everyone is dumb (dumb, dumb, dumb, dumb, dumb, dumb, dumb)

(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
La, la, la, la, la, la, la
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
Everyone is dumb
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
La, la, la, la, la, la, la
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
Everyone is dumb
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
La, la, la, la, la, la, la
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb) Two, three, four
Everyone is dumb
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb)
La, la, la, la, la, la, la
(Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb) Everyone
Everyone is-
