

# make believe

mazie

Oh shit, okay  
One, Two, Three, Four!

Ooooo, 'cause all we are is all we'll ever be  
And there's nothing we can do but make-believe  
'Cause all we are is all we'll ever be  
And there's nothing we can do but make-believe

Losing my mind is my 9 to 5  
And I'm working overtime again  
(Just so I could make it back, parents love to live like that)

I'm gonna pretend that it's not all fake  
While sticking my head in an easy bake  
And tossing the pills they'll make me take  
If I don't smile cause I feel

Broke is hard to fix  
Saying, "Where'd we lose the kid?"  
La, la, la

Ooooo, 'cause all we are is all we'll ever be  
And there's nothing we can do but make-believe  
'Cause all we are is all we'll ever be  
And there's nothing we can do but make-believe

Make-believe is all we are  
Make-believe is all we are  
La, la, la, la  
Make-believe is all we are  
Make-believe is all we are  
La, la, la  
La, la, la  
La, la
