

## sippy cup

mazie

Yeah  
Wait, huh?  
Yeah  
Yeah, wow

Sippy cups on my bedroom floor (Mmhmm)  
Doin' much worse than I was before (Aw)  
Had one bad trip  
I'm losin' my one loose grip like, "Who am I?"  
Can't believe I'm practically givin' up on myself

I like to imagine what would happen  
If I was never even (Oh my God)

I think I might be depressed (Woo-hoo, ah)  
But I think it's just 'cause I'll sleep better dead (Uh-huh, ah, ah)  
I've been outta my head (La-la)  
But I think it's just 'cause I might be depressed

(Sad)  
Woo  
Woo-hoo
