

start of the end

mazie

It feels like the start of the end
When you're trying so hard to pretend

Everything is okay
But it's all on your face
It's different from when it began
It's the start of the end

Ah, ah, ah, ah, ah (Okay)
Ah (Uh-uh, uh-uh)
Dum, dum, dum, dum, dum

Everything is okay (Ah, ah, ah)
But it's all on your face (Ah, ah, ah) (It's on your face)
It's different from when it began (Ah, ah, ah, ah, ah)
It's the start of the end (Ah)
