"You have one new message"

Hey Chris, it's John Bowie
Hi uhh, did you try and call me?
Cause I've, I've been in the hospital in uh, in traction and I
I think I, they told me I fractured my liver
Which I, I didn't even know you could do
Anyway listen, I still want to do some stuff on your record
Uhh, while I was on Percodan
I thought of a word that rhymes with engine
So call me, and I'll tell you what it is
Uh, yeah, so call, call me on my, on my cell man
I'll, I'll talk, talk to you later
Call me
Bye
