

# Gordita Crunch

MC Chris

I like that gordita crunch  
I've been known to eat a bunch  
And please no spicy mayo  
I say thank you very much  
Like the softness and the crunch  
In the office having lunch  
Then I'm running to the bathroom  
'Cause my pants about to bust

I wish you had some Coke  
Fuck you, Pepsi Co  
Yes, I'll have some nachos  
And some queso all to go  
Taco Bell's the shit  
A place you can hang with your friends  
Yes, it might give you the shits  
But I like to call it a cleanse  
I got the taco supreme  
I got all fucked up on green  
I got some Skywalker trees  
Smoked out my muscle machine  
(Smoked out my muscle machine!)  
Pick up a taco or three  
One taco doesn't appease  
Mc chris up in the piece  
Givin' out tacos for free  
Yaaaaaaay!

I like that gordita crunch

110 million in stock  
That's what Bell got when he stopped  
White as a sheet, robbed the guys cross the street  
Every week was a line down the block (Block! Block!)  
Foreign cuisine, he did cop  
By next morning, switched everything up  
No hamburgers or fries  
Now we only sell lies and franchise was the prize that he got  
Stoners might blow up the spot  
Smoke a bowl then they roll in like what  
Buy a sack 'cause it's cheap, that's why everyone eats  
Mystery meat that is chopped
