MMM! Now that was a lunch. I still like hotdogs, I still like, discussing it with other people and just saying- Mr. Chandler? Mr. Ward is here to see you?

Oh He is?

... and he looks... dead?

Alrite send him in.

Rar! I'm a zombie! Back from the grave!

Heey! Rar, you're a zombie, look at you, you're a zombie, of course you are, of course you are.

Back from the grave!

Back form the grave, there he is.

Rar!

Rar! There you go! Look at you!

I'm a zombie!

I'm really proud of you. Why am I proud of you? Because I'm NOT proud of you. I heard the album you cut in the endless void of pergatory. (right?) It stinks! (mwh?) Don't ask me how I heard it. (how'd you hear it?) I heard it on the internet. Will you listen to me for once and sit down?

No! I'm a zombie! I'm here to seek vengence! Blar! :vomit sound  
: Zombie vomit all over you!

Oh look what you did!

Threw up all over you shirt

black vomit all over... pink and black vomit all over me, it's got chunks in it-

It burns too don't it?

Obviously... eehh, it's ok actually...
