

Time Warp

MC Chris

It's astounding, time is fleeting, madness takes it's toll
But listen closely, not for very much longer, I've got to keep
control

I remember doing the Time Warp, drinking those moments when
The blackness would hit me and the void would be calling
Let's do the Time Warp again
Let's do the Time Warp again

It's just a jump to the left and then a step to the right
Put your hands on your hips, you bring your knees in tight
But it's the pelvic thrust that really drives you insane
Let's do the Time Warp again
Let's do the Time Warp again

It's so dreamy, oh, fantasy free me
So you can't see me
No, not at all in another dimension
With voyeuristic intention
Well-secluded, I see all with a bit of a mind flip
You're into the time slip
And nothing can ever be the same, you're spaced out on sensatio
n
Like you're under sedation
Let's do the Time Warp again
Let's do the Time Warp again

Well, I was walking down the street just a-having a think
When a snake of a guy gave me an evil wink
He shook-a me up, he took me by surprise
He had a pickup truck and the devil's eyes
He stared at me and I felt a change
Time meant nothing, never would again
Let's do the Time Warp again
Let's do the Time Warp again

It's just a jump to the left and then a step to the right
Put your hands on your hips, you bring your knees in tight
But it's the pelvic thrust that really drives you insane
Let's do the Time Warp again
Let's do the Time Warp again
