

Dancing Queen

MC Erik a Barbara

You can dance, you can jive, having the time of your life
See that girl, watch that scence, dig in the dancing queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music, getting in the swing
You come in to look for a king
Anybody could ba that guy
Night is young and the music's high
With a bit of dance music, everything is fine
You're in the mood for dance
And when get the chance...

You are the dancig queen, young and sweet, only seventeen
Dancing queen, feel the beat from the tambourine
You can dance, you can jive, having the time of your life
See that girl, watch that scence, dig in the dancing queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out fot another, anyone will do
You're in the mood for a dance

Rap

Dancing queen, you gonna burn me up
Dancing queen, baby please don't stop
Dancing queen, you are makin'me strong
With this song, all night long
Dancing queen, you will give me the power
I wanna be your king, I wanna be your lover
Flow with me all thru the night
By my side

And when you get the chance...
