

## Rated G for Trauma

MC Lars

Tell me... about your childhood

Animated, we watched them with our mama  
They were rated G, but they brought us trauma  
Walt created scenes that burned inside our lids  
These were made for little kids? We were only little kids

At 42 minutes in, Bambi's mom is dead  
At 36 minutes in, Simba's dad is dead  
At 11 minutes in, Carl's partner is dead  
Before the opening credits, Nemo's mother is dead  
Cinderella's sisters ripped her dress off and attacked her  
When Belle was imprisoned she fell in love with her captor  
Mulan found a burning village where no one survived  
Ms. De Vil had planned to skin those spotted puppies alive  
Quasimodo's disability was ridiculed brutally  
Dumbo subjected to endless animal cruelty  
Dr. Facilier killing Ray, crushed him into the ground, and  
Satan held a demon orgy on a night on Bald Mountain

At 5 minutes in, the Fox's mama is shot  
All the hounds in the pound sobbed when Lady got caught  
Ichabod Crane had crossed the bridge, but it was too late  
Andy's toys joined hands and accepted their fate  
Ariel watched on as Eric's ship was burnin'  
Pocahontas watched on as Kocoum was murdered  
Sleeping Beauty was assaulted while she was unconscious  
Snow White was assaulted while she was unconscious  
Jafar preyed on Jasmine, she was only fifteen  
Sully utterly terrified little Boo with his scream  
The Red Queen demanded countless mass decapitations  
The Tarzan action figure simulated masturbation (look it up!)  
Bing Bong was sacrificed so Joy could still make it  
Lilo and Nani were children when their parents were taken  
Wall-E was all alone, our whole planet was ruined  
When Old Yeller turned rabid, poor Travis had to shoot him
