

# The Dewey Decibel System

MC Lars

You like books, Mega Ran?  
Indeed I do. (What, what, what, what?)  
This, is the Dewey Decibel System  
Let's get it started

Yo, they call him MC Lars  
And this is Mega Ran  
I vow to tell the truth  
Just like when you take the stand  
Still shining in the mic  
Stephen King, with no misery  
Nat Philbrick with the realness  
So you'd better know your history  
So while they're sleeping on us  
Like Washington Irving  
Great Expectations  
Kept their fires burning  
This Confederacy of Dunces  
Will never secede  
So as Lars Burroughs deep  
Ran Howls on the beat  
Call me Samuel Becket  
Because you may not expect it  
We tour well, like Orwell  
Plus we've been known to wreck it  
Rocking, classic forms, like  
Five - seven - five  
So do me a favor  
Get your hands high  
Cool  
Charles Dickens  
With the raw rhythms  
Feel the Sound and the Fury  
With the bars that we give 'em  
Got beats plus books  
Plus buddies for the win  
On the road once again  
Now we're gone with the wind  
Peace

This, is the Dewey Decibel System

Hey, hey, hey, hey  
Just read everyday
