

# The Dip

MC Lars

These aren't kid gloves, Mr. Valiant.

Destroying rappers like Judge Doom, kill that, Marvin Ac,  
cutting 'em like sword and axe, that dip running through Toontown,  
these Looney Tunes, companies can't stop that, havoc  
that independence, with suspense, like a villain, black trench  
creating a vengeance, soul greater, for the haters, never need  
no tactics, Who Framed Roger Rabbit?, throwing lyrics  
out like javelins, spazzin', animated individuals,  
rubbing their head, pitiful, saluting A1 generals  
whatever matters, competition, in position, opposition,  
contract for contract, I'm all that, just fall back,  
characters, no scavengers, they cartoons in art rooms  
artist, I'm a star in this, top notch, just check your watch  
live quick, I stay quick, animation reality, destroy the town they mad at me  
independent, like wheels spinnin',  
water machine, time machine, melt down they head down  
in Toontown we come around, we rush out, no doubt!

Soon, where Toon Town once stood will be a string of fast food restaurants with Bible verses confusingly printed on cheeseburger wrappers and soda cups... and guitar retailers with wonderful, wonderful overpriced prosumer gear as far as the eye can see. My God, it'll be beautiful! Check out this Squire st art I got for \$200, what a bargain!

I'll put this rabbit in the Dip, when I dip, you dip, we dip  
Let's put these toons up in the dip, when you dip, I dip, we dip  
I'll put this shoe up in the Dip, when I dip, you dip, we dip
