

So Special

MC MAGIC

i will give u all i have everything
cuz what we have is very special
so special
all my nights and all my days
i spent with u cuz ur so special
so special

im sitting vip with my boy bigie
lookin across the club
its kinda dark but i can still see
this shawty stepped in the room
she lookin supa fly
since im that supa guy
im tryung to make u mine
she got them apple bottoms
she got that juci y top
she got them sexy bubbles and im trying to make it pop
so wont u tell me lil mama what u think i gta do
to make u mine
to make u mine bbygirl thats my mission
said proposition we dnt need no intermission
no intermission u got me wishin
i told u girl u and i we make it special tonight

i will give u all i have everything
cuz what we have is very special
so special
all my nights and all my days
i spent with u cuz ur so special
so special

if i told u once then i told u twice
ur that spice in my life
hold it down when i come around
cuz u know how much i sacrifice
but it aint no mystery
whenever were together theres a victory
and u know i can never get sick of it
babygurl jst check our history
and u know im finecky
and i made my choice
keep ur **** rich and moist
when i wake up in the morn
stretch and yawn first thing i wna do hear is your voice
"good morning daddy"
thats the way u bless my angels everyday
im the luckiest mexican in the state
cuz u got my back and ur here to stay
and were both rite where we belong
so happy in our comfort zone
im neva gna leave ur heart alone
and thats my word so u know its on
and thats the truth how as the roof girl ur love is hundred proof [x2]

i will give u all i have everything
cuz what we have is very special
so special

all my nights and all my days
i spent with u cuz ur so special
so special
