What is love, is it the feelin that i get when your lips touch mine.... (You know love is whatever you make it girl) (come on)
Is it the way i cant control myself, when we're in the middle of those passionate nights... Babe!

(is like everytime im with you baby)

# Magic:

I think love is when i look into your eyes the way it seems like your body was meant to be every minute right here next to mine my super sexy valentine

### Tiffany:

But you must of known.... that all the little things you do and say to me you know i love them, but they got me wondering..
