Teraa  
Teraa

Meri maa meko ek din dekh ke, kyu ro padi  
Bolti tere haal dekh, tere gande baal dekh  
Aur andar jaare gaal dekh, kaale hore honth dekh aur  
Kyu tu aisa hora dekh  
Tattoos tere haath pe nahi chalte apne jaat mein  
Rishteydaro ki baat mein  
Fir mene bola, "kon aanewala saath mein"  
Aane wala upar, mere saath mein, mere amal  
Mere saath mein, mere jaat mein  
Woh sab nahi chalta jo hip hop mein chalta, fir pan main karta  
Aamir log ke bathroom kitna, utna mera ghar tha  
Bahut chota sa ghar tha, main rickshaw mein sota  
Hatai ki baat nahi, main khudko dekh ke rota  
Mainne bol dala jo tha, main feel kar sakta  
Gareeb nahi le sakta ticket mere show ka, isliye ticket feku show ka  
Roz rakhu roza  
Ek saal tak socha, khudko parosa, bharosa!

Amin  
Har mere sentence ke end mein bol amin  
I pray for my hater, I pray for my homies  
Pooch mat kya scene, just say amin!  
Sabar kar, kabar par, abhi toh starting  
Pooch mat kya scene, just say amin!

Mere homie ki kaise karu jamin
