

Haath Varthi

MC Stan

Mere gaano pe haath varti
Agar nahi kara yaha pe toh marr padti
Teri behen mujhse pyaar karti
Mat marr usko, uski nahi galti
Sirf relate woh karti
P-Town bole toh dekh yede log ki bharti
Me gardish me bharti
Awaaz thodi alag aa rahi, ho gayeli sardi
P-Town se B-town tak apnich chalti

Tum gardi me chalte toh dikhte nahi
Me gardi me chalta toh dikhta
Tu das time sochega aisa kyun likhta
Kyunki me sick tha
Aey sickness bana mere dopeness
Skateboard, Air 1, tight istri
Kid me full homeless, boneless, kar case
Mujhpe kyun chhod dala?
Beat ko me chod dala beat ko
Karu kya disco?
MC Stan miss toh, darta nahi kisko
Aai zavun tak mitra mandal, you know what I'm sayin'

Kaisa hua meko pyaar?
Mera homie bola maar
Tune jhooth bola kyun?
Mene diya tera saath

Mere gaano pe haath varti
Agar nahi kara yaha pe toh marr padti
Teri behen mujhse pyaar karti
Mat marr usko, uski nahi galti
Sirf relate woh karti
P-Town bole toh dekh yede log ki bharti
Me gardish me bharti
Awaaz thodi alag aa rahi, ho gayeli sardi
P-Town se B-town tak apnich chalti

Me ghusa jab club me, basti ki public ayeli
Matlab confirm hai raade
Even my worst days, meri gang peeche se
Koi toh bhi koita nikale
Humlog nahi matter badhare
Ye shawty hot dikhri toh chadar failare
Ye mere pe trappa bithare
Maa baap ko bolre haan inn log ne maare
Club me teko entry nahi
Guestlist me naam tera maam humne bhadach kar dale
Ye meko laggte bichare
Meri galti kya, inn log ke number nahi aa rahe
Ye meko taadi pilare, bacche log meko kyu taadi pilare
Daru mat, paani pila re
Party me entry toh shawty chhupare

Mere gaano pe haath varti
Agar nahi kara yaha pe toh marr padti
Teri behen mujhse pyaar karti

Mat marr usko, uski nahi galti
Sirf relate woh karti
P-Town bole toh dekh yede log ki bharti
Me gardish me bharti
Awaaz thodi alag aa rahi, ho gayeli sardi
P-Town se B-town tak apnich chalti

Sickness bana mere dopeness
Skateboard, Air 1, tight istri
Kid me full homeless, boneless, kar case
Mujhpe kyun chhod dala?
Beat ko me chod dala beat ko
Karu kya disco?
