

Meko pyaar, mere desh se
Humlog gana bechte, imaan nahi bechte
Maine laat nahi mara Kiske, pet pe
Meditation kara maine, rakha maine patients
Meri maa ne, boli rap mat kar (mat kar)
Woh kale log ka, alag rehta culture (culture)
Aaj nahi na chod sakta, kal par (kal par)
Stan kon hai, google pe search (Ah ah)
Crack kara maine , insaan kya sochta
Yeh words kisne banaya, aur phela insaan kon tha
Adam aur eve ki tarah, mein bhi sochta
Bharosa nahi kis cheez ka, bharosa sirf maut ka (maut ka)
Zinda rehneke liye mein, roz waja dhudta (dhudta)
Apne maa baap ko chodke, tu dusro ka sunnta (dusro ka sunnta)
Marneke baad, asli demag tera khulta
Insaan hai matlabi, matlab sirf dhoondta

Yeh gana, likha soch k
Disturb hota apna demag, yeh sab sochke
Insaaniyat ko yogdaan diya, woh log kon the
Dopamine release hota, khade hote roongte
6th class mei malum gira, baccha hota sex se
Inlog ne chalu kara, lagich mera dekh k
5 min mei bhul jate, jisko kara phone pe
Kara maine Sabke liya, dikhata nai bolke
Explain karna chahata lekin, kaise karu mein
Pyaar beech mei aata, isleye pyar karu mein
Bhadve teku malum nai, tu aukat mei reh
Ladki pe likhte nai, tum bangayele gay
Yeh heartless duniya mei, kya karu mein
Hater log k liye Pan, pray Karu Mein
Log meko bolte, mere gaane aate late
Yeh le bro album, aur roz sunnte bait
